

# Registered Kidnapping Offenders

The Bellevue Police Department is releasing the following information pursuant to RCW 4.24.550 (1) which authorizes law enforcement agencies to inform the public of a kidnapping offender's residency within their jurisdiction when in the discretion of the agency, the release of information is relevant and necessary to protect the public and counteract the danger created by the particular offender.

The individuals who appear on this notification have been convicted of kidnapping offenses that require registration with the Sheriff's Office in the county of their residence. These individuals have registered as Bellevue residents.

This notification is not intended to increase fear; rather, it is our belief that an informed public is a safer public. Kidnapping offenders have always lived in our communities; it was the passage of the Sex Offender Web Site – Kidnapping Law of 2005 that law enforcement was allowed to notify citizens where they were living. Citizen abuse of this information to threaten, intimidate or harass registered kidnapping offenders will not be tolerated. Further, such abuse, could potentially end law enforcement's ability to do community notifications.

If you have information regarding current criminal activity of these or any other offenders, please call 9-1-1.
